

Ladies Forum – update – August 2019

Ladies Forum is usually held on the **first Thursday of the month** at 1.30pm at West End Congregational Church. The group is run by some of the church ladies but we welcome anyone who would like to come along. The meetings include a short devotional time and we have a different topic or activity each month.

On 11th July, a week later than we usually meet, we held a fundraising event for **Parkinson's Support Group**. One of our ladies suffers from Parkinson's so we had an extra incentive to raise as much as possible. We had a strawberry tea and a bring-and-buy sale which was enjoyed by everyone. £120 pounds was raised and we decided to give it to our local **Haverhill Parkinson's Support Group**.

On 14th August, when the local group met, some of us went to hand over the cheque. The Support Group meet at Haverhill's library. The first picture below, taken by Bryan Hawes, shows some of the group's members. Also present on that day were representatives of **Parkinson's UK**. The second picture is of Jim Monie, the group's leader, receiving the cheque from Janet Briggs leader of the Ladies Forum.
